

REBELS RUGBY GA

COMMUNITY YOUTH RUGBY • ROSWELL, GA • EST. 2013

Boys and girls, ages K through 18. All schools welcome.

NO TRYOUTS • NO CUTS • ALL FUN • ALL FRIENDS

New Sport. New Friends. No Experience Needed.

Rugby starts younger than most families expect. Our youngest Rebels play touch rugby with their hands, learn to pass, and spend an hour running around with kids from every school nearby. That is the whole job at this age.

SAVE THE DATE • SATURDAY, OCTOBER 10

TRY RUGBY (FREE) OPEN HOUSE & GEAR EXCHANGE

No contact. No cost. Nothing to sign.

Gear Exchange: bring what you have (gently used kit), take what you need (free).

Location and times are being confirmed with the City. Sign up for alerts and we send them straight to you.

Skills first, contact introduced gently. 90 minutes, twice a week.

U12

11 and under

TOUCH TO TACKLE

Where real rugby clicks. 90 minutes, twice a week.

IS IT SAFE? THE HONEST ANSWER.

- **Contact is taught, never rushed.**
New players start non-contact. Coaches group kids by size and experience rather than running one big drill and hoping.
- **Recognize and Remove. If in doubt, we sit them out.**
We follow USA Rugby concussion protocol and CDC Heads Up guidance, with a minimum 14-day rest for youth.
- **SafeSport governs every coach and every adult.**
USA Rugby SafeSport rules apply club-wide, and parents are welcome at every session.
