HIGH SCHOOL

GIRLS & BOYS TEAMS

Separate teams, own coaches, waiting for them when they age up.

U12 runs one continuous Fun & Fundamentals season, October through April, and you register once. Age is set by where your child sits on September 1. High school runs its own calendar with two seasons.

IS IT SAFE? THE HONEST ANSWER.

- **Contact is taught, never rushed.**
New players start non-contact. Coaches group kids by size and experience rather than running one big drill and hoping.
- **Recognize and Remove. If in doubt, we sit them out.**
We follow USA Rugby concussion protocol and CDC Heads Up guidance, with a minimum 14-day rest for youth.
- **SafeSport governs every coach and every adult.**
USA Rugby SafeSport rules apply club-wide, and parents are welcome at every session.
